

SOMETIMES REALTORS NEED A NEW HOME TOO!

Announcement: Dorcas Willis, Long-Time Burleson Realtor Joins the Tony Willis Keller Williams Team!

Burleson, TX, August 30, 2021 – Dorcas Willis, Top Producers Realtor located in Old Town Burleson is pleased to announce her decision to join forces with her son's real estate Team. Dorcas and Tony worked together until a few years ago when he moved to Keller Williams. Recently, they worked a few transactions together, and then they both decided it was time to join forces again and time to commit to a Team approach. This move will permit Dorcas to continue to provide the outstanding service to her past and future clients, to achieve their dream of home ownership or when selling their home.

Dorcas Willis' credentials as a Realtor are superb, most notably she held the title of "Top Producer" for 14 consecutive years in the Burleson, Crowley and Joshua area and was named to the Hall of Fame in 1992. However, more important to Dorcas than awards, is the knowledge that she has made hundreds of friends, helping so many people in her long career with buying and selling a home. One of the biggest financial and emotional decisions people make is their home. Dorcas will always be available to her past and future clients to support their home ownership goals, buying or selling. Her phone number will not change. Her success has come from past client referrals, and she appreciates the trust placed in her to take excellent care of their family and friends.

Dorcas wishes her former colleagues at Top Producers Real Estate continued success and cherishes the friendships built over many years.
