Enjoy where you live to the fullest with an incredible home, a beautiful swimming pool, an over the top pool house, bonus / recreation room with separate stairway and lots more! The pool house is more like another little house with its own full kitchen, full bathroom, living room, media area with 100" screen projector, and heated/cooled 1 car garage/storage/exercise area! The extra large pool is surrounded by a generous sized patio area with fire pit and is completely fenced! The kitchen features Quartz counter tops and custom cabinetry. The master suite has a large adjoining office, his & hers walk in closets and double vanities! Other notables include bamboo floors in great room and dining room, gas log fireplace, central vacuum system, back up generator...come see!
